

RE: COVID-19 (Seventh Update from Faith Elders)
Date: April 9, 2020

Dear Faith Family and Friends

Even though we are all staying connected through various electronic means, I think it is safe to say that we all miss our faith family and friends. What I miss the most, and I look forward to when we all physically get back together, are the very loud ruckus fellowship times after our Sunday worship service. What do you miss the most?

In this update, we want to let you know about few new things that have been made available. Also, include another quick summary other online tools to encourage you in your spiritual journey.

Coronavirus and Christ (Book)

Newest from Dr. John Piper is made available at. desiringgod.org/books/coronavirus-and-christ. It is free, including the audiobook he recorded. It is God-glorifying, Jesus-honouring, and Bible-rich book that is comforting, encouraging, and challenging.

Pastoral Visitations (side-walk edition)

As most of you know, around this time of the year, pastor Sean does a round of pastoral visitations to everyone in our faith family. Well, a pandemic will not stop this “essential service/ministry.” Of course, it is going to look a little different.

Be on the lookout for an email titled, “Pastoral Visitations (side-walk edition)”. Pastor Sean misses you very much and he looks forward to seeing you in the next couple of weeks.
